# *Frequently Asked Questions About Sovereign Nation Program*

## WHAT IS THE MAIN VALUE OF HOSTING A FORUM IN NATION?

Economic development ministers **finally** have a relatively low cost, extremely powerful new tool, to grow higher treasury receipts. Economic development for any community is founded upon Entrepreneur Core Skills. Lacking Entrepreneur Core Skills growth will be much slower in nation and stability is more challenging. Treasury receipts are the primary value of the CEO SPACE relationship. Who would not spend one dollar to enjoy a return of ten noting the high returns continue for years. The current CEO SPACE education content focuses on HOW TO PROSPER IN THE DEVELOPING GLOBAL RECESSION providing information that is not available to Entrepreneurs from other venues. As this information is critical to GNP growth, some urgency is suggested where and when economic development NOW versus later is a priority for the host nation.

## ARE THERE ANY RISKS WITHIN THE PROGRAM?

The risk of not installing quality uniform education to national entrepreneurs is delay in treasury receipts. National treasuries and growth in treasury revenue suffer when small to mid size business, lack critical Entrepreneur skills to more rapidly grow GNP in nation. Retraining the modern Entrepreneur in nation is the urgent priority for treasury revenue sustained growth. In a growing number of nations stability is impacted by Forum education. The risk is slower economic development, delayed revenues to nation, and potentials for instability due to faulty education in the Entrepreneur Space. Delay is the risk.

## HOW DOES OUR COUNTRY COMPLETE DUE DILIGENCE?

Typically, time is of the essence in economic development. CEO SPACE suggests a simple sequence to complete due diligence. First, review the [www.ceospace.net](http://www.ceospace.net) online print and video information. Second, schedule a "decision maker" conference video call at links we will provide. Third schedule to attend a future Free Enterprise Forum in the USA to experience the product you will acquire. Finally complete the online contract and reserve each forum date selected for each city where revenue development is the next priority. As it takes time to set up and deliver an in nation trade program of this complexity, interested nations will wish to "fast track" their due diligence process to secure dates. A limited number of ten total dates are available in 2009 and twenty dates are available in 2010. As the number of CEO SPACE weeks is limited, bookings are reserved on a first contracted first paid basis nation by nation.

## WHO ENDORSES THE PROGRAM?

CEO SPACE is endorsed by world famous celebrity educator trainers with Fortune CEO advisory experience including Jeff Magee Publisher of THE PERFORMANCE MAGAZINE and trainer for NASA and the Federal Reserve Board, Tony Robbins, Bob Proctor, Lisa Nichols, Jack Canfield author of the Chicken Soup series of publications and literally hundreds of others. The full faith and reputation of the most reputable corporate trainers in the Global Village endorse CEO SPACE. The list of CEOs and companies endorsing CEO SPACE appears online and flows into the thousands. Recent Press on CEO SPACE includes ABC, NBC, AND CBS press clips online. Twenty years of success coupled to our license contract affiliations with the University of Alabama Huntsville further define leadership in the Entrepreneur Education Space.

## WHAT CULTURAL VALUES FLOW FROM FORUM WEEKS?

CEO SPACE fosters hyper-growing business activity within a cooperative alliance building culture, versus a competitive culture. Speed is a byproduct of Entrepreneur activity expressed in cooperation versus competition. Great compliance, improved stability, with a focus on hyper-growing enterprise flows from each forum experience. Forum training breeds entrepreneur ethics, legal compliance, and responsibility to nation. A greater unity occurs from your participating Entrepreneur business owners. The cultural common ground aspects of the Free Enterprise Training can be priceless in some nations. The new model of capitalism is cooperative and collaborative versus competitive. As competition structures all experience “performance ceilings” that are systemic in nature, nations seeking higher performance will embrace CEO SPACE Culture education. The new capitalism provides correction for the abuses of the first generation model. Business graduates express much faster growth with greater abilities to predict and control future outcome.

## WHAT EXPERIENCE DOES CEO SPACE HAVE IN CULTURAL DIVERSITY?

For twenty years, CEO SPACE has hosted, serving business owners in over 100 nations, Free Enterprise Forum trade shows. Thousands of hours of testimonials from small business owners that span the globe speak to the super sensitivity CEO SPACE employs on the topic of culture diversity.
